3-IN-1 TRAINING SESSIONS

VADDIO®

Vaddio PTZ camera solutions combine enterprise-class performance with system-configured design and are easy to install and operate. Attendees will gain an understanding of the Vaddio ecosystem and value proposition, the B2B market for video collaboration and how to hunt and sell these solutions.

LUXUL®

Geared toward the custom installer, Luxul is a high-margin, price protected line of APs, switches and routers. Chris will unveil the **NEW WiFi 6 AP** and new line of robust managed switches, while hitting key networking best practices and trends.

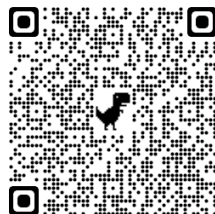

MIDDLE ATLANTIC

Looking for dependable power and free cloud management for your projects? Middle Atlantic Racklink™ has you covered. Chris will review the Select, Premium and NEW NEXSYS series PDU's and UPS' compatible with patented RackLink™ remote management technology. .
