

# NUVO PRODUCT SHEET

## Professional Multi-Zone Rack Mount Players

### NV-P4300 Professional Series Player

Highest quality rack mount player with DSP for enhanced performance

3 zone, with 110-watts per zone at 4, 6 or 8 ohms

Backlit touch screen supports easy setup with visible system status, zone names, and more

Connect to storage devices, analog equipment, or home theatre receivers through the unit's 3.5mm combination analog/TOSLINK jacks for line inputs and outputs per zone

### NV-P3100 Professional Series Player

3 zone, with 40-watts per zone at 8 ohms

3.5mm stereo inputs/outputs per zone

### NV-P3500 Professional Series Player

3 zone, with 100-watts per zone at 8 ohms and 200 watts per zone at 4 ohms

Extreme power efficiency for superior amplification, featuring intelligent ICEpower® audio technology.

RCA stereo inputs/outputs per zone

## Wireless Single-Zone Players

### NV-P100 Player Amplifier

One zone with 40-watt amplifier at 8 ohms

3.5mm stereo input/output

### NV-P200 Player Amplifier

One zone with 120 watts at 8 or 4 ohms

Wirelessly connect any Bluetooth device using the lossless aptX Bluetooth feature to stream audio from personal devices

3.5mm stereo input/output

### NV-P300 Player Pre-Amplifier

Designed to connect with the latest A/V equipment to add the Player Portfolio System to a 3rd party amplifier or receiver

Connect to storage devices, analog equipment, or home theatre receivers through the unit's 3.5mm combination analog/TOSLINK jack for line input and output

## Single-Zone All-in-One Players

### NV-P400 Player Tabletop Speaker

5 1/4" subwoofer, two midrange drivers, and two tweeters

Simple playback/preset control from Player app, in-wall keypads, or directly from the speaker itself

### NV-P500 Player Sound Bar and Subwoofer

Complement your home theatre by playing audio from a video source, such as a TV or DVD player using the TOSLINK optical or RCA stereo input

8" wireless subwoofer

Controlled by included IR remote, Nuvo in-wall keypads, or player app

## In-Wall Control

### NV-P10 Keypad

Part of the radiant® collection, the P10 allows convenient in-wall control of Play, Pause, Volume, Mute, and Skip Track

A single button to access 5 system preset favorites

Compatible with all Player Portfolio products for systems in up to 16 zones

Single wire connectivity via 802.11 af PoE

Available in White, Light Almond, and Nickel colors

### NV-P20 Keypad

Allows the same convenient in-wall control of the P10 in the sleek, refined styling of the adorne® line of wall plates

Available in White and Magnesium colors

### NV-P30 Touch Screen

Complete in-wall control with the Nuvo Player Portfolio System

Fully functioning tablet allows access to apps such as Spotify, Pandora, and more

Connects easily with a single RJ45 802.11 af PoE cable

Sleek, high-contrast 7" 1024 x 600 IPS capacitive touch screen

Available in White and Black colors

### OUR ATTENTION TO AESTHETICS MAKES YOU LOOK GOOD.

The Series Two, Four and Six speakers are designed with no bezel so they virtually disappear into the ceiling or wall. And our all-metal grills, with removable scrim cloths, can be easily painted to seamlessly blend into any space's décor.
