Join us for a 90-min deep dive into AVA OS.

From simple to sophisticated—configure AVA OS, work with the AVA Nano Brain, and use the AVA app across all your devices. Plus, we'll cover computer-based AVA OS setup and more.

Robert Choate of AVA Inc. will guide you through this 90 minute, in-depth training. Current AVA Cinema Remote users can explore what's new in AVA OS 2.1, while first-timers can get hands-on. and take advantage of a special dealer discount.

Bonus Perk: Attendees unlock a special dealer discount!
