

OPEN HOUSE TRAINING

UI PLAINVIEW
THURS, NOV 20
7AM - 5PM

Join us along with Kevin Kang of AWALL, a leading manufacturer in the MicroLED industry. Our qualified technicians and factory sales team will be onsite to demonstrate the incredible capabilities of their award-winning MicroLED technology, featuring the AWC135.09X screen, installed at Ui Supplies, Plainview, NY!

Experience live demonstrations and engaging presentations designed to educate attendees on revolutionary technology and the vast potential within the MicroLED market at price points never imagined. Discover how we can multiplex inputs to display a variety of screen options with just a click.
