

Product Specifications

1" 3 Piece Knockout Seal

Part number D30S
Category number 5450
UPC 781002102441

Three Piece Knockout Seals are used to cover exposed knock-out holes in metal enclosures or outlet boxes. They are held in place by a screw inserted through the seal into a threaded strap on the opposite side of the opening. They are able to be installed from the inside or outside of any box without rearranging wires.
