

# Product Specifications

## 2" 3 Piece Knockout Seal

**Part number** D60S  
**Category number** 5450  
**UPC** 781002102502

Three Piece Knockout Seals are used to cover exposed knock-out holes in metal enclosures or outlet boxes. They are held in place by a screw inserted through the seal into a threaded strap on the opposite side of the opening. They are able to be installed from the inside or outside of any box without rearranging wires.
