## Outdoor Cam Plus

Featuring 2K Video with Ring Vision

2K Video  
with Ring  
Vision

Low-Light  
Sight

Mount-Anywhere  
Versatility

24/7 Recording  
(Plug-In, Wired only.  
Subscription Required)

Two-Way Talk &  
Motion Alerts

**Every detail. Built for anywhere.**

With an easy-to-install mount, weather-resistant build, and multiple power options, Outdoor Cam Plus goes exactly where you need it most. Want it indoors? That works, too. Outdoor Cam Plus is built for outside, but ready for anywhere.

**Full-color 2K from dusk to dawn.**

Make the most of Ring's enhanced imaging sensors to reveal true-to-life color and 2K detail in the near-dark. With Low-Light Sight, nearby street lighting is all you need for a clear, colorful view at any hour.

**All day. Every day. See it all.**

With Outdoor Cam Plus Plug-In, use 24/7 Recording to capture every moment - even things that happened outside your motion areas - nonstop. Your 24/7 footage is saved up to 14 days, so you don't miss a thing. Ring Home Premium subscription required, sold separately.

## Compatible Accessories

### Ring Chime Pro

Hear notifications anywhere in your home when motion is detected. Plus, amplify all your devices and boost your Wi-Fi network to all your Ring Doorbells and Cams.

### Ring Solar Panel (USB-C)

With at least 3-4 hours of direct sunlight a day, the Ring Solar Panel connects to Outdoor Cam Plus for a continuous charge, so you'll never run out of power.

### Voice Assistant

Enjoy hands-free home monitoring with select Alexa-enabled devices. Hear custom notifications and use two-way talk with audio-only Echo devices, and launch video with Echo Show, Fire TV and Fire Tablets.

## Frequently Asked Questions

### What's the difference between Outdoor Cam Plus Battery and Outdoor Cam Plus Plug-In?

The main difference is how they receive power. Outdoor Cam Plus Battery is powered by a removable, rechargeable Quick Release Battery Pack. Add a second Quick Release Battery Pack (sold separately) to have an extra charged battery pack ready to go. Outdoor Cam Plus Plug-In is powered by an included Indoor/Outdoor Power Adapter that plugs into a standard AC power outlet. The Indoor/Outdoor Power Adapter (USB-C) may also be purchased separately to convert an Outdoor Cam Plus Battery to Plug-In for nonstop power. You can also purchase a Solar Panel (USB-C) to convert an Outdoor Cam Plus Battery to Solar power to keep the battery charged longer with direct sunlight.

### How can I mount Outdoor Cam Plus?

You can mount Outdoor Cam Plus on a ceiling or wall. With the easy-to-install mount included in the box, weather-resistant build, and multiple power options, Outdoor Cam Plus goes exactly where you need it most.

### Can I use Outdoor Cam Plus inside?

Yes. You can enjoy the full benefits this camera offers in outdoor or indoor settings. Place it on a table or mount it on a wall or ceiling with the included mount.
