AWNINGS

PRODUCTS AVAILABLE IN 2025

MOTORIZED RETRACTABLE AWNINGS

A robust aluminum full-cassette retractable awning safeguards the fabric by fully enclosing it when retracted, protecting it from wind, sun, and dirt. With three size offerings and built-in LEDs, our motorized awnings bring life to any outdoor space. Powered by our intuitive AC motors.

BUILT-IN LED LIGHTING

PowerShades Awnings come equipped with built-in LED lighting, combining shade and illumination for ultimate versatility. Enjoy functional elegance, day or night!

SIZE	HEADER SIZE	OUTSPREAD	DROP RATE
8 FOOT	7.32" x 7.91"	78.74"	17.71"
12 FOOT	7.32" x 7.91"	118.11"	27.56"
16 FOOT	7.32" x 7.91"	118.11"	27.56"

Experience the perfect blend of functionality and style with our motorized retractable awnings, featuring integrated LED lighting. These built-in LEDs not only provide brilliant illumination but also enhance the ambiance of your outdoor space.
