

PASS & SEYMOUR®

RAISE THE BAR

ON MOBILE DEVICE CHARGING

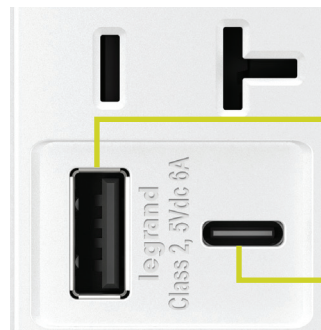

Charge multiple devices at the same time, faster than ever, with convenient USB ports.

CHARGE MORE DEVICES FASTER WITH LESS CLUTTER

Legrand offers a full line of Pass & Seymour® charging solutions designed to power up mobile devices quickly and reliably — without the need for bulky AC adapters. As the industry moves away from Type-A USB charging ports to Type-C, our solutions are ready. Find styles that suit you in either Type-A or Type-C, plus hybrid receptacles that feature both ports. There's also a full range of amperage options, including the industry-leading Ultra-Fast 6A USB Charging Receptacles, available even in a weather-resistant model for outdoor applications. Plus, with the first ever GFCI USB Outlet, Legrand makes it not only possible, but easy, to truly charge anywhere. All this from a manufacturer that's been innovating electrical devices for superior performance and safety for over 125 years.

Our powerful USB charging receptacles:

- Charge multiple USB-powered devices at the same time faster than ever
- Allow users to plug USB cables directly into the wall without AC adapters
- Accept standard Pass & Seymour Wall Plates
- Include back and side wiring terminals for installation flexibility
- Are available in all Pass & Seymour Decorator-style colors
- Are compatible with USB 2.0 and 3.0 devices

TYPE-A

The standard, flat, rectangle port that is most commonly used.

TYPE-C

The new, smaller port being adopted by mobile device manufacturers with an easy-to-use reversible design.

CHARGE LIKE NEVER BEFORE

radiant® Wireless Charger

The first wireless charger of its kind is an in-wall, one-gang solution that installs easily. It's also compatible with any Qi-certified device, including Samsung and Apple smartphones. Simply slide phones into the cradle and charge up. Comes with an extra 3.1A USB port and two 15A outlets.

CHARGE ANYWHERE, WITH EASE & EXCEPTIONAL STYLE

Designer USB Outlets from the *adorne*® and *radiant*® Collections

Upgrade everyday living with convenient USB charging at your fingertips, anywhere you want it. With the variety of advanced USB Outlets from *adorne* and *radiant*, you can stay connected, no adapter necessary, with built-in charging perfectly suited for any space. Add charging access easily to kitchens and bathrooms with the first-of-its-kind GFCI USB Outlet, or bring more functionality to your patio with the Outdoor Ultra-Fast USB Outlet from *radiant*. Preserve your backsplash and de-clutter the counters with Under-Cabinet charging options from *adorne*, or simply add some contemporary style with *adorne* USB options featuring the unique square form factor in bold finishes. All available in a broad range of colors and for use with sleek, screwless wall plates.

SPEED MATTERS

Ultra-Fast 6A USB Charging Receptacles

Stop waiting. The absolute fastest on the market, Ultra-Fast 6A USB Charging Receptacles can charge two devices in half the time as it offers a full 3A of power through each Type-C port. Type-A and Type-C options mean adapter-free charging for all the latest handheld and tabletop devices.

TAKE CHARGE OF THE FUTURE

Commercial & Hospital Grade USB Charging Receptacles Featuring PlugTail®

Regardless of the industry, staying connected is a vital part of being productive and profitable. And that means keeping mobile devices like phones and tablets charged and working. The PlugTail dual USB receptacle has mobile charging covered today and tomorrow with the best of both worlds: one USB Type-A and one Type-C port.
