WyreStorm - Powerful. Reliable. Simple.

Introduction

The WyreRing provides a simple yet effective way to ensure compatibility of BYOD in a meeting space without the need for a presentation switcher or over-specified system. The simple adapter ring provides 3 HDMI converters: USB-C, DisplayPort and Mini DisplayPort. All 3 converters support up to 4K60 video passthrough. The secure cable lock attaches to any HDMI cable up to 10mm in diameter. The metal reinforced ring provides a strong and durable connection to the converters that won't wear out after repeated use.
