Have your house welcome you home with lights scheduled to turn on as you arrive. Use an app to monitor energy usage and create lighting scenes that perfectly fit your routine. Life can be sweeter (and smarter) thanks to adorne with Netatmo.

adorne® WITH Netatmo

The smartest way to take control of lights and power, optimized for an ultra-reliable whole home experience.

Manage lights and power, from anywhere, with the Legrand Home + Control app.

HOW IT WORKS

- Start with the Smart Gateway to create a robust, dedicated network
- Replace any standard switches, dimmers or outlets in just minutes
- Use the Legrand Home + Control app to control your lights and power from anywhere
- Connect to Amazon Alexa, Google Home or Apple HomeKit for voice control
- Add the battery-powered wireless switches and dimmers anywhere you want easy 3-way or one-touch scene control
