

FASHION-FORWARD & FUTURE-PROOF

Introducing the new adorne® Ultra-Fast USB Outlets.

THE ADORNE ULTRA-FAST USB OUTLETS OFFER:

Easy access to faster charging

Plug right in for a fast charge – without the bulky adapter, and without sacrificing a plug – for incredible convenience.

Future-proof connections with USB Type-C

With options that pair the newer USB Type-C and traditional USB Type-A connections in a single device, adorne can fit all your home's charging needs, even for the latest smartphones and tablets.

Quick installation

Replace an existing outlet in as little as 15 minutes, no specialty tools required.

Discreet tamper-resistance

Keep kids safe with the tamper-resistant, patented low-profile black "invisi-shutter" system which prevents the insertion of foreign objects into the outlet.

Designer style

Elevate any space with the contemporary aesthetic of adorne. The Ultra-Fast USB Outlets are available in multiple on-trend finishes, and are made for use with adorne's extensive range of stunning, screwless wall plates to fit your unique taste.

Dependable quality

The adorne USB Outlets are manufactured through high-quality design, sourcing and production, and backed by a Lifetime Warranty.

The contemporary style of adorne meets its perfect match with advanced technology for fast, easy charging.

Providing up to 6 amps of charging power, and including options for USB Type-C connections to fit the latest devices with, the newest adorne USB Outlets are the faster, future-proof option for convenient inwall charging without adapters.

Ensure advanced charging for new and future devices, with designer USB outlets guaranteed to enhance the look of any space. Create your modern masterpiece with the adorne Collection.

designed to be better.
