	SHIPPING WEIGHT	3 lbs
OTHER	WARRANTY	Two (2) year warranty against defects in original hardware and/or workmanship. Excludes corrosion or rust resulting from damaged, scratched or chipped paint or other surfaces.

Séura is not liable for damage or destruction to third party devices used with Séura products. If using an IR device (for example, Apple TV and Roku models prior to 2019), you will need to set up CEC control for your streaming device. This option is available in the settings menu of your streaming device. To enable CEC on your Séura TV, go to Menu – Network – Advanced Network Setting – CEC. This allows you to use Séura's TV remote to control the streaming device. If your streaming device does not use an RF connection and is not CEC compatible, then it will not receive remote control commands when placed in the media compartment. An IR emitter may work in getting a signal to the streaming device.
