

LFS6

## Dual 6" Floor Standing Speaker

PROFICIENT

### Great Sound Runs In The Family

We designed Proficient Protege Cabinet Loudspeakers for today's listen environments. Before we put pen to paper, we researched emerging audio technologies like Dolby Atmos® and DTS:X® and took a hard look at the way homeowners want loudspeakers to look and play in their homes. The result is a complete line of speakers built to sound great in any system in any home—and to look really good in any room.

### Our top-of-the-line floor standing speakers

Our top-of-the-line floor standing speakers sound amazing with or without a subwoofer. Dual 6" graphite woofers in a carefully tuned floor standing enclosure deliver pounding bass powerful enough for rock, R&B and the most intense action movies. The smooth midrange of the ultra-light, ultra-rigid graphite cones combines with the sweet sound of a 1" silk dome tweeter to keep everything from female vocals to flutes sounding airy and natural, like they're right there in the room with you. The LFS6 has a matte black finish and removable black grille with neo-magnets. Add the LDA5 speaker to turn the LFS6 into an immersive sound system compatible with height & effect.

## **LDA5 5" Dolby Atmos® Speakers**

Designed to sit on top of the LFS6

## **High Performance Sound Starts Here**

When we started designing our Proficient Protege cabinet speakers, we looked at Dolby Atmos® and DTS:X® and the way homeowners want their loudspeakers to play music and movies. The result is a line built to sound great & look good in any room in their home.

Give the new Proficient Protege speakers a long listen. We think they might just change your attitude about cabinet loudspeakers. They're built not just to be heard, but to be listened to and loved.

Just what you would expect from Proficient.
