

2026 TV & Audio Lineup Trainings

For 2026, LG has assembled our most significant lineup of TVs and Audio Products tailored to your customers' needs, some of which are already getting key recognition in the press and online.

To learn what all the excitement is about, choose "just 1" of 6 available, 1-hour sessions to learn what the NEW 2026 LG models offer.

We have the return of Wallpaper OLED, a brand new Micro RGB Evo Television and our Sound Suite modular cinema and whole house audio system that are already generating excitement in the market. Join us to learn about these and all our amazing LG products and hear about stepping customers to the products that will help you be most profitable.
